REPORTING SERIOUS INCIDENTS

As soon as possible, you should report to the Commission any incidents that cause a significant loss of funds or pose serious risks to a charity's beneficiaries, resources or reputation.

If any serious incident, including any of those listed below, have occurred since your last return, you should notify us immediately if you have not already done so.

Please read the Guidance Notes first to help you decide how to respond. Then either email rsi@charitycommission.gsi.gov.uk or call 0845 3000 218 to inform us.

SERIOUS INCIDENTS

- Fraud, theft or significant loss of funds or other property.
- Significant sums of money or other property donated to the charity from an unknown or unverified source.
- The charity (including any individual staff, trustees or volunteers) has any known or alleged link to a proscribed(banned) organisation or to terrorist or other unlawful activity.
- A person disqualified from acting as a trustee has been or is currently acting as a trustee of the charity.
- The charity does not have a policy for safeguarding its vulnerable beneficiaries (e.g. children and young people, people with disabilities and the elderly/old people).
- The charity has no vetting procedure to ensure that a trustee or member of staff is eligible to act in the position he or she is being appointed to.
- Suspicions, allegations or incidents of abuse or mistreatment of beneficiaries.
- The charity has been subject to a criminal investigation, or an investigation by another regulator or agency; or sanctions have been imposed or concerns raised by another regulator or agency (e.g. the Health and Safety Executive, Ofsted).

When you report a serious incident we will generally ask you for further details. You may not have all of these but please be prepared to provide as much relevant information as possible about the incident. We are concerned about criminal or unlawful activity, or very serious incidents about a charity that may pose a risk to its funds, property, beneficiaries or reputation.

LEGAL OBLIGATION

As part of the charity's Annual Return, trustees must confirm that there are no serious incidents or other matters which they should have brought to the attention of the Commission and have not done so already. Failure to do so will be regarded as a breach of legal requirements.

Data protection

Any information you give us will be held securely and in accordance with the rules on data protection. We will treat personal details as private and confidential and safeguard them. We will not disclose them to anyone unconnected with the Charity Commission unless you have consented to its release, or in the circumstances that are set out in the Guidance Notes
